

Quickfish Interceptor USV

Built for long endurance, with multi-week loiter capability, substantial payload capacity, and a self-righting hull that keeps it on station no matter the conditions. Modular, agile, and swift. Launches in minutes - a rapid response vessel for intercepting or interdicting maritime threats.

Rugged

Operational in sea state 6 conditions. Survivable in sea state 10.

Modular

Configurable payload bay. C2 interoperable.

Resilient

GPS-jamming and spoofing resilient.

Portable

Ships with trailer inside a 20' container.

Swift

Sprints 40+ knots.

Simple

Intuitive Operations. 3-5 Days of Training.

The vessel, in brief

Quickfish combines rapid transit with persistent presence, staying on station and ready to respond. Its large, enclosed payload bay supports a range of mission payloads, while hybrid propulsion enables multi-week loiter without refueling. High sprint speed and persistent endurance allow Quickfish to transition quickly from surveillance to response, extending maritime awareness beyond conventional interceptors. A self-righting hull and high-sea-state capability support operations in demanding conditions, while Seasats' intuitive interface requires just 3–5 days of operator training.

Technical Specifications

Additional Options Available

Size & Weight

LENGTH	19 FT [5.8 M]
HEIGHT	7.9 FT [2.4 M]
BEAM	5.6 FT [1.7 M]
DRAFT	17.9 IN [0.45 M]
VEHICLE WEIGHT	3,950 LBS [1,800 KG]

PROPULSION	HYBRID THRUSTER GAS OR DIESEL AVAILABLE
------------	--

Speed & Range

LOITER ENDURANCE	4 WEEKS
SPRINT	40 KTS
CRUISE RANGE	400+ NM @ 22KTS
EXTENDED RANGE	550+ NM
OPERATIONAL LIMIT	SEA STATE 6
SURVIVABLE LIMIT	SEA STATE 10

Communications

STANDARD	LTE, IRIDIUM SBD, IRIDIUM CERTUS STARLINK, OPTIONAL: MESH RADIOS, ONEWEB
----------	---

Navigation & Sensing

CORE SENSORS	5X ONBOARD HD CAMERAS, GNSS/GPS, IMU, COMPASS, AIS SEND/RECEIVE, NAVIGATION LIGHTS
COLLISION AVOIDANCE	AUTOMATED AIS SENSE AND AVOID PLUS COMPUTER VISION OBJECT DETECTION

Payloads

STANDARD	MARINE RADAR LONG RANGE EO/IR PAN TILT ZOOM CAMERA AIS RECEIVER
WATERTIGHT PAYLOAD BAY	5.6 X 3.6 X 1.9 FT [1.7 X 1.1 X 0.6 M]
TOTAL PAYLOAD VOLUME	85 FT3 [2.4 M3]
TOTAL PAYLOAD CAPACITY	500 LB [200 KG]
